From I-64 junction take US 23 south toward Louisa, Paintsville and Prestonsburg. This will be a four lane highway.

Just past Prestonsburg, at Water Gap, go west on KY 80 toward Martin and Hazard. This is also a four lane highway.

KY 80 will bring you to the Hindman, KY exit at KY 160. There is a mini mart/gas station (traffic light) at this intersection. STAY on KY 80!

Approximately 2 miles past this intersection you will turn left onto KY 1102, also called Montgomery Creek Road. This is a narrow, winding road. There should be a Camp Nathanael directional sign along highway.

Travel the length of Montgomery Creek, approximately 3 miles, to the stop sign.

Turn right at the stop sign which will place you on KY 550 west.

The camp entrance will be less than 1 mile ahead on KY 550 on your left.

You should see the Camp Nathanael sign on your left by a bridge. Turn left across the bridge (if pulling a trailer you will need to make a wide turn onto bridge) and follow the paved road into the camp property.

If you miss the first entrance stay on KY 550 and at Emmalena, you will pass the school (left) and post office (right) then Camp Nathanael's second entrance is around the next curve.

There are two stone signs which say "Camp Nathanael". Follow the paved road (it's marked Camp Nathanael Road) until you pass the gym on left, cross a bridge and you'll see the stone chapel across the field.
