

DIRECTIONS FROM LONDON, KY TO CAMP NATHANAEL

DISTANCE FROM LONDON – 75-80 MILES
DRIVING TIME FROM LONDON – 1 ½ HOURS

CAMP TELEPHONE NUMBER – (606) 251-3231
MISSION DIRECTOR'S HOME NUMBER – (606) 251-3084 (Roy Hodson)

At London, exit off I-75 onto the Hal Rogers Parkway (formerly the Daniel Boone Parkway) toward Manchester and Hazard, KY.

At Hazard, the Hal Rogers Parkway becomes KY 80 (four lane highway). Continue on the same highway toward Hindman and Prestonsburg. Make no turns at Hazard. Follow KY 80 east approximately 7 miles to KY 476.

As you descend a hill you will see "Absolute Storage" on your right. At the bottom of the hill (not well marked) you turn left, cross a concrete bridge, and then turn right at the stop sign. Now you are on KY 476 east. [FOLLOW CAMP NATHANAEL SIGNS]

Follow KY 476 approximately 1 ½ miles to Dwarf. At Dwarf, you will turn left onto KY 550. There is a large building on the left at the intersection. This is a bad intersection so be careful.

Follow KY 550 about 5 miles to Emmalena. There are two stone signs which say "Camp Nathanael". Follow the paved road (it's marked Camp Nathanael Road) until you pass the gym on left, cross a bridge and you'll see the stone chapel across the field.

If you miss the first entrance stay on KY 550 and at Emmalena, you will pass the school (right) and post office (left) then Camp Nathanael's second entrance is around the next curve.

You will see the camp sign on your right. Turn right across the bridge (if pulling a trailer you will need to make a wide turn onto bridge) and follow the paved road into the camp property.
